

Match Play Rules

Individual Match Play – It is the player's responsibility to arrange a tee time for the matches. To contact your competitor, contact the golf shop and we will provide you with phone number and email address when available. If you are unable to contact your competitor, inform the golf shop or tournament committee as soon as possible.

Championship Flight – Blue Tees – No handicap
 Regular Flight – White Tees – 100% of current handicap
 Senior Championship Flight – White Tees – No handicap
 Senior Regular Flight – Gold Tees – 100% of current handicap

Use your index to determine your present handicap. Determine the difference. Starting at the #1 handicap hole, mark the handicap holes equal to the difference in your handicaps. Example: Bob is a 12 and Jay is a 17. The difference is 5 ($17 - 12 = 5$). Jay will get a stroke on #1 through #5 handicap holes. (This not enough strokes for Jay, he should beg Bob for more). If both players have the same handicap, then the match is played scratch.

Team Match Play – It is the player's responsibility to arrange a tee time for the matches. To contact your competitor, contact the golf shop and we will provide you with phone number and email address when available. If you are unable to contact your competitor, inform the golf shop or tournament committee as soon as possible.

Championship Flight – Blue Tees – No handicap
 Regular Flight – White Tees – 100% of current handicap
 Senior Championship Flight – White Tees – No handicap
 Senior Regular Flight – Gold Tees – 100% of current handicap

Use current indexes to determine all players' handicaps. The lowest player or players play scratch and the remaining players receive their handicap less the lowest player's handicap. Example: Bob & Shawn are playing Pat & Jay. Bob is a 3 handicap, Shawn is a 9 handicap, Pat is an 18 handicap and Jay is a 24 handicap. Bob will play scratch, Shawn will get 6 strokes, Pat will get 15 strokes and Jay will get 21 strokes. The strokes will be allotted by the hole handicap ranking on the scorecard.

Scorecards will be preprinted and available for pick up at the golf shop. Please note the handicap used for the competition clearly on the scorecard. The scorecard must be turned in to the golf shop with two signatures and with the winner clearly defined. **The tournament committee will post the results and the scores. Any matches not completed by the deadline will result in both players forfeiting the match. NO EXCEPTIONS.**

Team and Individual Match Play Championships

<u>Round</u>	<u>Must be completed by:</u>
#1	June 6
#2	July 4
#3	August 1
#4	September 5
#5	October 3
